

# ST. WALTER SCHOOL ANNUAL FUND <sup>2010</sup>

## SINCE OUR OPENING IN 1952...

Thousands of children have had their first school experience where faith shapes not only curriculum, but also the lives of each student.

We have grown from just 84 students to the largest school in the Diocese of Joliet.

Technology has remained current, including SMART® Boards at all grade levels.

High percentage of graduating students are placed in Advanced or Honors Classes upon entering high school.

Dear Friend of St. Walter School,

Since 1952, St. Walter School has influenced the lives of thousands of students making a significant difference in the spiritual and educational life of each. Our tradition of faith and excellence in Catholic education continues to this day. Our students and alumni continue to enrich and enlighten the lives of others here in Roselle and in communities all around the country.

Donating to the Annual Fund is an exciting way to invest in the future of St. Walter School and make a direct impact on current and future students. Imagine all the possibilities that your donation will make. Your financial support can enhance our educational programs through capital improvements, innovations in technology, tuition assistance and endowment growth, as well as helping with the general needs of the school.

Together, we can continue to provide a quality Catholic education where faith shapes not only curriculum, but also the lives of our students. Together, we can prepare our students of today for the challenges that the future holds.

No gift is too small. A contribution as little as \$19.52 will be a great way to celebrate our 58-year heritage and remember our founders who held the vision that a Catholic education was something worth investing in. Regardless of the amount, your contribution makes a difference and is tax deductible to the extent the law allows. Please send your donation by April 15, 2010. A self-addressed envelope is enclosed for your convenience. Donations can also be made securely through our website at [www.stwalterschool.com](http://www.stwalterschool.com).

Your support and investment in St. Walter School is greatly appreciated.

Sincerely,

Mrs. Mary Lloyd  
Principal
