

St. Walter School 2009– 2010 Student Supply List

Following is the 2009 – 2010 Student Supply List for all of our grades including preschool and kindergarten.

In addition to the individual classroom supplies, there is also a \$20.00 general fee for each student in grades 1 through 8. **You do not need to pay this fee now. The general supply fee is collected the first day of school** and covers class activities and additional items that are purchased in bulk for the classrooms.

As an option for purchasing back-to-school supplies for your children in 1 through 8 grades, we have set up a service where you can take care of getting all of your child's supplies directly through St. Walter School. All items marked with the "♦" will be included in the pack. Each Back-to-School Pack **will include name brand items**. For grades 4, 6, 7, and 8 you will be able to purchase the Back-to-School Pack with or without a calculator. Packs will be delivered to your child's homeroom on the first day of school. The Back-to-School Order Form has been sent home with the oldest child. Copies are also available on our school's website and Edline. **The deadline for ordering is May 27.**
