

St. Walter School 2010 - 2011 Student Supply List

Following is the 2010 – 2011 Student Supply List for all of our grades including preschool and kindergarten.

In addition to the individual classroom supplies, there is also a \$25.00 general fee for each student in grades 1 through 8. **You do not need to pay this fee now.** **The general supply fee is collected the first day of school** and covers class activities and additional items that are purchased in bulk for the classrooms.

As an option for purchasing back-to-school supplies for your children in grades 1 through 8, we have set up a service where you can take care of getting all of your child's supplies directly through St. Walter School. All items marked with the "◆" will be included in the pack. For grades 4, 5, 6, 7, and 8 you will be able to purchase the Back-to-School Pack with or without a calculator. Packs will be delivered to your child's homeroom on the first day of school. As another option, *you can order them online beginning May 17. Online orders are slightly higher and will be delivered to your home.* **The deadline for ordering via school is June 2. Online orders can be placed through June 30.**
